A rent reasonable survey will be conducted to ensure the rent amount approved is in accordance to HUD regulations. If the rent is not rent reasonable, a denial letter will be sent to the landlord and client.

This serves as written notice that the rent of the unit may increase and that both parties' signatures are required to process this increase or utility change.

Note: The client may relocate at their anniversary date if proper notice is given to the landlord and FWHS. If the new rent amount creates a burden to the client, the client has the right to give the landlord proper notice to relocate. Effective date of the increase will be either the anniversary date or 60 days after the 1st of the month following the receipt of the increase request. The client may contact the counselor if there are any questions.
