**C.** Once the PBV Pre Contract Initial Inspections have passed, the above form in Requirement 1 will be returned to you via email for your records. It will show the PBV Pre Contract Initial Inspection Pass dates for each unit. These dates will be valid for a total of, 120 days if property is new construction and 60 days for any rehab or existing properties.

2. The PBV HAP Contract has been executed.
3. The pass date for the unit has not exceeded the approved time frame referred to in section **C**.
