Fort Worth Housing Solutions Public Housing Scattered Site Units Opening of the Wait List

Fort Worth Housing Solutions owns and operates 8 public housing scattered site duplexes that are located throughout the city of Fort Worth. These duplexes have 2 and 3 bedroom units with a single car garage.

Fort Worth Housing Solutions will accept **ONLINE** pre-applications for the Scattered Site Properties from **8 a.m. Monday, June 19, through 11:59 p.m. Friday, June 30, 2023**. All pre-applications must be completed online at www.applyfwhs.org.

The applicant's place on the list will be based on a lottery system – not the time and date the pre-application was submitted. A maximum of 500 names will be randomly selected for the FWHS Wait List. Completion of a pre-application does not guarantee a place on the Wait List.

Persons who have a disability and require assistance to complete the pre-application online may call Fort Worth Housing Solutions at 817-333-3. Assistance will be available **9 a.m. to 4 p.m. June 19, 2023**.
